 PARTY LOOKING FOR INFORMATION ABOUT THE FLAGS SPOKE TO 230 -
 CLEAR

Narrative:
 Female came into the station to complain that the Flag at
 the station was at half-mast. She had called Town Hall
 around 3pm and spoke to the Assistant Town Manager about the
 Flags in Town not being up all the way. She said the Flags
 were supposed to be put back up on the 8th 3 days ago. She
 was very upset and wanted it corrected. I asked if she
 wanted to leave her name and number so I could investigate
 it and call her, but she refused. She said she would know.
 I investigated it and the Flag was raised.

WE230 SPOKE WITH MARBLEHEAD CLEAR

Narrative:

I responded to at the request of Marblehead PD. They requested that we speak with female about an accident that occurred in their Town. I arrived and spoke with and both parties said that he was driving. I observed them removing plants from the rear of the black Mercedes when I arrived. I walked around the vehicle which was covered in pollen. On the front right corner there was a spot that appeared to have been wiped recently. There were some scratches, but it was hard

to determine if they were fresh or not. I took 2 photos of the area and sent them to Officer [redacted] at Marblehead PD. I spoke with Officer [redacted] over the phone and advised him of my findings. I told Officer [redacted] that I walked around the vehicle on the plate they provided and didn't observe any damage. The gray vehicle was covered in pollen and didn't have any damage or wiped off areas. I provided Officer Clark with the male operator's driver's license.
